If you are a returning student to Fanshawe, please initiate payment through <https://www.flywire.com/school/fanshawec>.
- ✦ If your Letter of Acceptance is conditional upon outstanding admission requirements, please upload proof that you have met those conditions before the start of classes into Fanshawe's Virtual Application System (VAS).
- ✦ Arrange accommodations and book your flight. Ensure that your flight arrives in Canada prior to the start of classes.
- ✦ Complete the international student form three weeks prior to the start of the semester and at least 7 days prior to your arrival in Canada <https://forms.fanshawec.ca/xfp/form/107>. We will send you more detailed information about your registration, fee deadline for balance of your fees, class schedule, health insurance, the first day of your classes, how to meet other international students, and a variety of services that are available to you on the campus. This information will be sent prior to the start of classes, via email.

PROGRAM AND CAMPUS CHANGE

Program changes are actively discouraged. Any program changes are subject to seat availability. No program changes are allowed after a student has arrived in Canada. Change of campus or location is not allowed.

WITHDRAWAL AND REFUND POLICY

Please review the College's **withdrawal and refund policy** information, found here:
www.fanshawec.ca/international/students/withdrawal-refund-policy

Applicant PLEASE READ:

Acceptance to the College is based on the current year's published admission requirements. These admission requirements are reviewed on an annual basis and publication of future admission requirements will occur by October of each year. If admission requirements change, we will inform you.

The College reserves the right to cancel a program or course, a program major or option, to change the location and term in which program/courses are offered or withdraw an offer of acceptance because of insufficient registrations or for other budgetary reasons.

Most post-secondary college programs require registered students to write a "diagnostic English test". At Fanshawe College almost all post-secondary programs have at least one Communications/English course as a part of their curriculum. The "diagnostic" English test is for the purposes of placing a student in an appropriate Communications/English course.

What is a Provincial Attestation Letter (PAL)?

Effective January 22, 2024, all applicants who are applying for a study permit to study in Canada need to have a PAL from the provincial government.

Who Needs a PAL?

Only students who do not have a study permit application in process prior to January 22, 2024 or a study permit approved need a PAL. If you already have a study permit or you are already in Canada, you do not need a PAL.

How to Request Your PAL

Before submitting a PAL request, please confirm that all of the following are true:

- I do not already have a study permit application in process or approved.
- I am not already in Canada.
- I have paid at least one semester of fees (full year fees if SDS country).
- I have checked that the information (name, date of birth and address) on my LOA is correct as this same information will be used on the PAL and errors cannot be corrected once the PAL has been issued. All information must match exactly on the LOA, PAL, Study Permit and your passport.
- I understand that I will receive only one PAL and that I am expected to use this letter immediately to apply for a study permit.
- I have read the [International Withdrawal and Refund Policy - Fanshawe College](#).

To request a PAL, **your agent** can simply log into our [Virtual Application System \(VAS\)](#) and click on the Request PAL button within your application. **If you do not have an agent**, you can log into your application and request a PAL yourself.

Once your PAL is ready, you will receive an email notification that a new document is available. Your agent (or you if you do not have an agent) can then log back into our [Virtual Application System \(VAS\)](#) and click on the Print PAL button within your application to save/print your PAL to submit with your study permit application.

2. IMMIGRATION NEW ZEALAND VISA

- 2.1. International students must obtain a valid visa to enable the student to study onshore in New Zealand. All students must have a student visa or a Variation of Conditions for the duration of their studies prior to entering New Zealand. For further information visit www.immigration.govt.nz/new-zealand-visas

 - (i) withdraw the enrolment of that student from a course or courses
 - (ii) decline to re-enrol the student
 - (iii) restrict that student's access to University services.
- 2.6. If the student fails to obtain or maintain a valid student visa or is required to leave New Zealand for whatever reason, this agreement will lapse and the University may offer the place of enrolment to another student.
- 2.7. If this agreement lapses in this way, clause 8 of the *Terms and Conditions* apply to such a student as if he or she had been deleted from the programme of study, and the student may be entitled to a refund or credit.
- 2.8. To obtain a student visa, the student must be enrolled in full-time study. This will mean that a full-time student will typically take courses totalling up to 120 points per academic year. For further information please contact int-questions@auckland.ac.nz.

- 6.3. Please contact the International Student Support Team int-questions@auckland.ac.nz prior to the start of semester, with the student's accommodation details.

7. TUITION FEES

Note: Tuition fees are not displayed on conditional offers of admission

- 7.1. If the student is applying for a student visa from overseas, tuition fees must be paid before a student visa can be issued. Inbound exchange students are exempt from paying fees and are therefore not bound to clause 7 of these *Terms and Conditions*.
- 7.2. The fee on this *Offer of Admission* is an estimate;
 - The total fee payable will be shown on the statement/invoice which can be generated via Student Services online following course enrolment;
 - The total fee payable is subject to course selection and enrolment requirements and may differ from that in the attached estimate; and

- 7.3. Enrolment is subject to full payment of tuition fees due on or before the due date. If payment of the tuition fees is not made by the due date, the University may cancel this agreement and any enrolments.
- 7.4. Miscellaneous costs including (but not limited to) travel costs, living costs and other programme related costs are not included in the estimated tuition fees.
- 7.5. Tuition fees for new and re-enrolling students are reviewed each year, and approved by the University Council. International tuition fees are normally increased 3%-6% annually but increase can range from 0%-10%.
- 7.6. If the *Offer of Admission* is conditional, fees must not be paid until the offer is confirmed. A confirmed *Offer of Admission* with a fees estimate will be sent once conditions are met.

8. REFUND AND DELETION POLICY

When considering deletion from a course or programme of study, the student should first approach the International Office for guidance. The student may be entitled to a refund of part or all of the tuition fees paid to the University in the circumstances set out below; with the exception of inbound exchange students who are exempt from paying tuition fees:

The deadline for adding and deleting courses is sometimes referred to as ATCE (Alteration to Course

Enrolments). For enrolment changes, it is not enough to notify a University of Auckland staff member. You must make the changes in Student Services Online.

- 8.1. Please refer to the University Calendar [here](#) for deadlines for deleting courses with refund or credit of fees.
- 8.2. If the student deletes an enrolment online after the payment of tuition fees but within the deadlines, the University will, upon application, refund the fees paid, less an administration charge of NZ\$1,060.00.

Note: Immigration New Zealand will be informed of changes to the student's enrolment status.

- 8.3. Where a student has provided all required documentation in support of their visa application and Immigration New Zealand has declined to grant a student visa then the University will process a full refund and without deduction of a refund or administration fee.

[Please refer to the University Calendar for full details of the applicable dates](#)

- 8.4. If the student decides to delete from a course or programme of study after the academic session has begun, due to exceptional circumstances such as illness, injury or events beyond the control of the student, he or she must complete and submit the required 'Late Application to Delete a Course' form (AS-47) and provide any required supporting documentation and appropriate evidence as detailed on the form, to latedeletions@auckland.ac.nz. Please refer to the link for full details of the [Late Deletion](#) regulation including the criteria whereby a partial refund may be approved.

Notes:

The University may delay processing a refund until after the last dates for additions and deletions, specified in the Changes to Current Enrolment regulation, have expired.

Doctoral candidates should contact postgraduate@auckland.ac.nz for queries regarding eligibility for a refund or credit.

9. WITHDRAWALS

- 9.1. Any student wishing to cease attendance in a course or programme of study after the deadline for withdrawal may apply to do so by obtaining the approval of the relevant head of department and the dean of the faculty for the programme. - 10.2. The balance of fees paid at the international fees rate will be refunded if recalculation results in a credit balance on the fees account. The date of residency will be taken from the Students Visa only. Note: A copy of your e-visa or certified hard copy of your visa label, as well as the personal details page of the passport, must be provided to the University as soon as possible.
- 10.3. Special conditions/restrictions may apply for limited entry programmes, e.g. Bachelor of Medicine & Bachelor of Surgery (MBChB).

11. CHANGE OF PROGRAMME

- 11.1. This agreement does not entitle the student to enrol in any other programme of study at the University or at any other tertiary institution in New Zealand.
- 11.2. A student may apply to transfer to another programme of study but any such transfer will depend on:
 - Availability of places in that requested programme of study; or

- Selection and approval by the relevant department or faculty in accordance with prescribed University selection criteria; and
- Such other statutes and regulations of the University relating to change of programme of study published in the Calendar or otherwise notified to the student.

11.3. If the student's application to transfer to a new programme of study is successful, this agreement will lapse and the University will provide the student with a new *Offer of Admission* for the new programme of study.

12. ACADEMIC STANDING – Undergraduate and Certificate of Proficiency only
