DAY 4

In the talk of the fourth day of the series, 4th March 2021 the resource person was Dr. Veena J.S, who spoke about the topic WOMEN AND HEALTH. As a social activist, she had written the harsh realities experienced by women in day-to-day life. Her talks and writings had thrown light to the hardships of women. In that talk she focused on mental health of affected women and she described how discrimination affected their self-confidence and personality negatively. She explained how the patriarchal society designed the life of women. The painful truth that women couldn't even decide the matters related to her own health. She stressed the need to raise voice against even the smallest discrimination. The main theme of her talk was to develop a healthy self -image. With live discussions, the talk was an empowering one.

DAY 5

The topic of day five 5th March, 2021 was WOMEN AND LAW. Resource person of the day was Adv. Athira PM, Government Prosecutor and Pleader, Calicut. As it was only a few days ago the honourable Chief Justice of Supreme Court of India insulted a rape victim with his patriarchal values, this topic held special significance in her talk. She described the situations where women were denied justice on the basis of their gender. She described the paradoxical situation that India ensured maximum laws to protect women and how day by day crimes against women were increased. Adv. Athira stressed that women should never take justice as granted but should take it as a constitutional right of an Indian citizen. She provided a basic knowledge about laws. She reminded that women should not be afraid to raise voice against violence fearing society. She wished that women should know what violence was and also know that Law should give courage. The speech helped to understand more about the laws for women.

DAY 6

The most important highlight of the talk series was its final one on the day of Women's day (8th March 2021). The resource person was Ms.Sajitha Madathil, cine artist and dramatist who delivered an informative session about WOMEN AND THEATRE. She explains that till 16th and 17th century there was no mentions about the name of women actors. Even the women's name was considered as a non-serious writer. She made remark on women's day as women were just bounded to a specific day for mere a namesake and the happenings against women around the world were just paradoxical to do so. Then she delivered a serious talk on the subject, women and theatre. She shared her harmful and worst experiences faced through social Medias. It was really an informative session and students feel lucky to be in the session. The session was marked with a large and active participation among the students.
