## INTRODUCTION

The following tables and charts are produced annually and are intended to provide a statistical analysis of applicants to the Christ College Autonomous, Irinjalakuda. The report gives a detailed breakdown of those who applied to Christ College and got admitted in the year 2019. The AISHE report of 2017-18 is made reference to check the status of applications and admissions in the national level ([https://mhrd.gov.in/sites/upload\\_files/mhrd/files/statistics-new/AISHE2017-18.pdf](https://mhrd.gov.in/sites/upload_files/mhrd/files/statistics-new/AISHE2017-18.pdf)). We analyze the applications by gender, academic achievement, region, disability and reservation category. This is an effort to study the background of our students and to demonstrate our commitment to transparency. The inequalities of our society, particularly the academic achievement of SC/ST students are immediately apparent from the statistics. The report gave us a chance for introspection towards the commitment to education of weaker sections of society.

This year 1248 vacancies were filled; and our college has a distribution of 21.8% of Commerce students, 29.5% of arts and Social Science and 48.5% of Science students. AISHE report indicates enrollment to science stream as 17%. From the inception of the College, we have been dedicated to impart science education to society. The enrollment of SC, ST and OBC students this year were 11.46%, 1.28% and 16.35% respectively; which are much below the national level figures (14.4%, 5.2% & 35.0%). We invite everyone who reads this report to help us attract more academically motivated students of all backgrounds to apply to Christ College.

The data has been prepared by Internal Quality Assurance Cell (IQAC) of Christ College. (E mail: [igacchristijk@gmail.com](mailto:igacchristijk@gmail.com))

**Notes for Information: -**

These statistics refer to applications and admissions during the academic year 2019-20 of Christ College (Autonomous), Irinjalakuda. Percentages throughout have been rounded to one/two decimal place, so values given may not always add up to 100

APPLICATIONS

| Student Applications (UG 2019) |      |         |
|--------------------------------|------|---------|
| Females                        | 3762 | 57.78%  |
| Males                          | 2748 | 42.21%  |
| Transgender                    | 1    | 0.02%   |
| Grand total                    | 6511 | 100.00% |

**Table and Chart showing applicants gender**

Out of the twenty six courses; females preference were high for twelve courses. Each year high number of students apply for B.Sc Psychology course. This year B.Sc chemistry and B.Sc Mathematics were also preferred by female students. Courses less preferred by females were B.Sc Catering Science, BPEd, BCA and B.Sc Computer Science. In total 1.4 females applied per male student.

## COURSE

| <b>Course</b>  | <b>Female</b> | <b>Male</b> | <b>Female/Male</b> |
