# **FEEDBACK ON CURRICULAM FROM STUDENTS**

## **REPORT 2016-17**

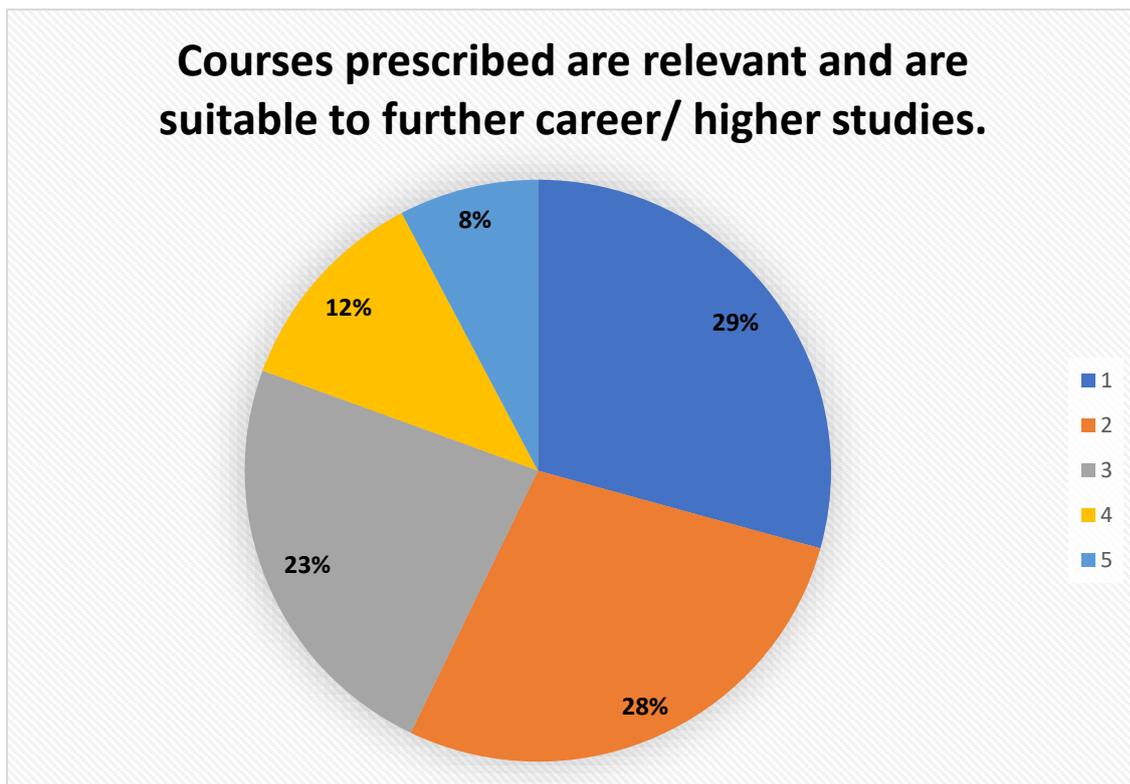

### **METHODOLOGY:**

To get an over-all opinion regarding the quality of the syllabus studying, feedback on curriculum is collected from the students. The feedback collection was conducted through direct questionnaire method. Students were provided with the questionnaire to fill and return. The institution took seriously all the suggestions and considered the areas to be given special focus. Accordingly, necessary actions are taken as per the need. This timely analysis helps in making the curriculum updated and relevant to the needs of the students, especially in the job market.

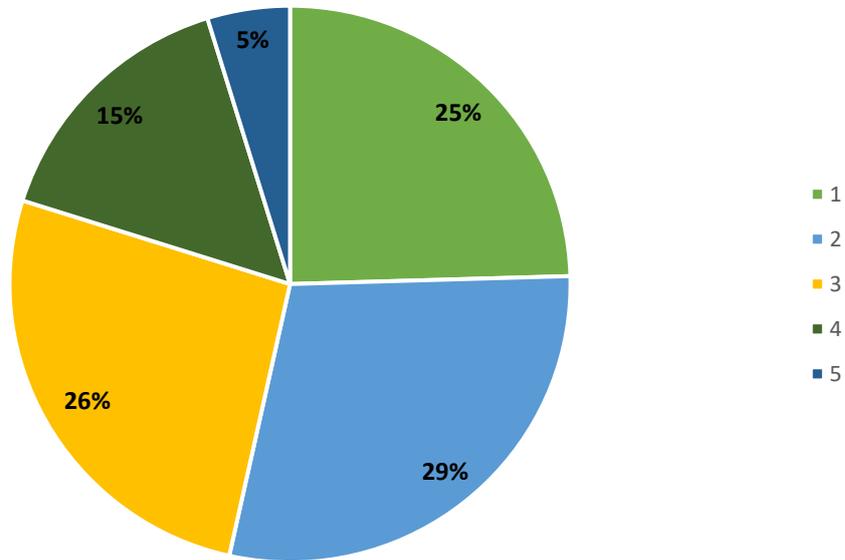

Number of respondents: 273

# FEEDBACK FROM STUDENTS REPORT

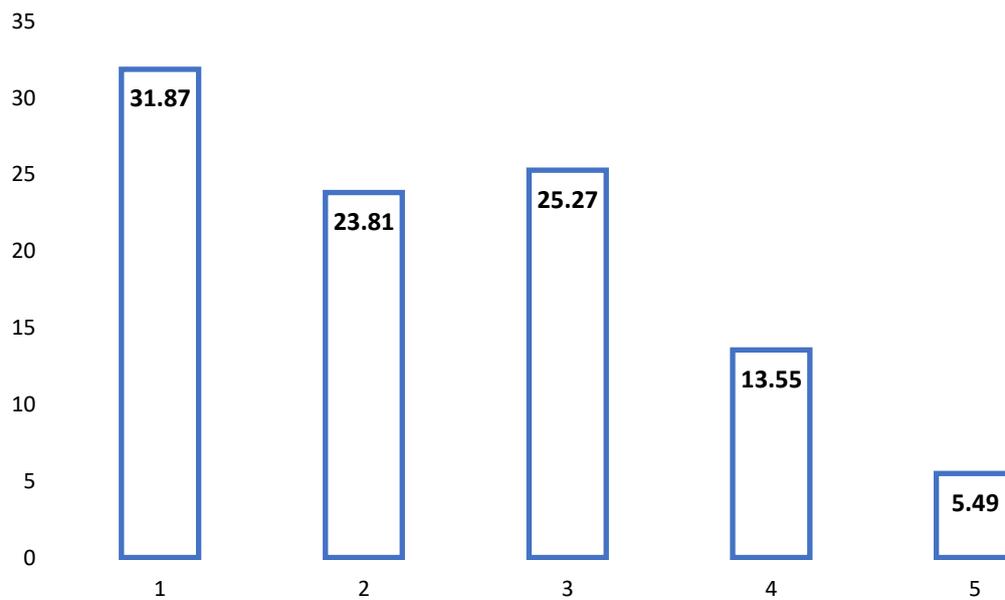

The feedback on curriculum including the course and the syllabus are collected from the students. The data is collected on a five-point Likert scale where the value 1 shows strongly agree opinion and the value 5 indicates strongly disagree opinion.

**References given are adequate and available.**

**The syllabus provides provision for experiential learning (Field work, Internship, OJT Industrial exposure etc.)**

### **Suggestions from Students**

- Syllabus should be more updated
- More field work are needed to study more about subjects
- Internship programmes to be conducted
- Need more focus on career advancement
- Should provide more industrial exposure, internships,field work etc .
- Every time completing syllabus becomes hectic and more mark oriented.
- Library facilities needs to be improved
- More references should be made available in the library
- More relevant certificate courses needs to be started in our college.
- Department library is needed
