

**Programme Organized by: NSS**

**In association with: NIL**

**Number of participants: 100**

On 25th Sunday 2021, the first day of Covid Awareness Campaign conducted by Christ College NSS units, volunteers were made to make a 1-minute talk video on awareness against 2nd wave of Covid-19. This helped volunteers to gather more information on safety measures to be taken to fight against the second wave of the pandemic and become more responsible. Out of the best six videos from six groups each, one best video was selected and posted in the Instagram page of NSS Christ college units intending to create an effective awareness among other people too. This awareness video making session of the campaign was successfully completed under the guidance of the program officers Prof. Tharun R, Prof Jincy SR, Prof Jomesh Jose, Prof Linett George and other leaders.
