

Programme Organized by: NSS

In association with: NIL

Number of participants: 100

On 26th Monday 2021, the second day of Covid Awareness Campaign conducted by Christ College NSS units, Volunteers were made to make trolls on topic, Covid 2nd wave: Indians on Air. It was a group activity. 6 groups made at least 2 trolls each. The trolls were meant to be in image format, depicted in funny manner, religiously and politically neutral and moreover, thought evoking. Volunteers could sarcastically convey how Indians have been very less cautious during the 2nd wave of this pandemic through trolls. The best troll was posted in the Instagram page of NSS Christ college units intending to create an effective awareness among a rather broader audience. This troll making session of the campaign was successfully completed under the guidance of the program officers Prof. Tharun R, Prof Jincy SR, Prof Jomesh Jose, Prof Linett George and other leaders.
