

**Programme Organized by: NSS**

**In association with: NIL**

**Number of participants: 150**

NSS units of Christ College observed this Sunday as dry day and each volunteers cleaned their houses and premises in order to prevent mosquito borne monsoon diseases. Volunteers actively took part in this cleaning program and the photos were submitted in their respective groups. Everyone could realize the importance of cleaning our surroundings and the ways

to prevent the diseases. Moreover, NSS units raised a fund for helping one of our 1<sup>st</sup> year volunteer who cracked the gruelling SAT for the admission to US universities but in need of money for his admission process and further expenses. For this, NSS units collected an amount of 25,000 rupees from 150 volunteers and program officers and transferred to him.

Volunteers were gladly joined in this for helping one of our friends and it was successfully done under the guidance of the program officers and leaders.
