

Programme Organized by: NSS

In association with: NIL

Number of participants: 80

The Environment week programs were started on 1st June, 2021 by the NSS Units 20 and 49 of Christ College (Autonomous), Irinjalakuda. The initial program was 'Disposal of organic waste.' It was a task given to both first and second year NSS volunteers. All the biodegradable wastes in the house or premises of respective volunteers were to be collected and properly dumped in the tree beds or dump pits. The waste collected shouldn't be burned. The pictures of the task done were to be uploaded in the google form given before 6 PM. Volunteers, wearing NSS T-shirts, did the job sincerely and well. The group leaders were to submit the collage of the pictures of their respective groups. The day's work was successful under the guidance of NSS teachers in-charge, leaders and volunteers.

02/06/2021

The second day of Environment Week by the NSS Units 20 & 49 of Christ College (Autonomous), Irinjalakuda, was commensurate with the task of 'Plastic free surroundings.' As per the task, plastics found in the house and premises of respective volunteers were to be collected. The task was given to the first-year volunteers. The collected garbage was to be photographed and uploaded in the google form before 6 PM on the same day. Each group leader was to submit the collage of their respective groups' pictures. The volunteers wore NSS Tshirts. They had done the task timely and perfectly. The program was successful under the guidance of NSS teachers in-charge, leaders and volunteers.

03/06/2021

The National service scheme units of Christ College (Autonomous) Irinjalakuda organised a one-day work named 'A Bucket of vegetables' in connection with the Environment Day programme. The volunteers were divided into 6 sub-groups. The volunteers were directed to plant at least two types of vegetable seeds and submit the work before 06:00pm. All the volunteers had completed the work successfully and submitted it to the provided link as well as to the respective group leaders. The volunteers wore their NSS T-shirts during the work. They realised the importance of protecting our environment.
