

# VALUE EDUCATION

To inculcate moral values and thoughts within the students, CSA organizes value education classes every Friday for all UG and PG students. The classes taken by teachers of various departments emphasize helping students develop their personalities so they can shape their future and deal with challenges. It shapes students to effectively carry out their social, moral, and democratic responsibilities while becoming sensitive to changing circumstances. Exams based on classes were conducted on 2<sup>nd</sup> March 2023 and winners from each class will be given certificates.

Akhila N Santhosh of Integrated Geology became the best performer in value education of UG classes and Aysha Praveen of English Literature became the best performer in value education of PG classes.
