ALL FOR PAPERS

Research papers invited from research scholars, P.G students and Teachers. Paper should be in MS word format. Font: Times New Roman and should contain paper title (font size: 14 pt), author's Name (s) (11 pt), affiliation (10 pt) and email ID (10 pt, italics). Name of the corresponding author shall be marked with*, content of the paper (12 pt) should not exceed two pages.

Participants are requested to submit the abstract by email arunkalazans@gmail.com by 18th February 2017. Acceptance will be intimated through email before 22nd February 2017 and abstract will be published in the seminar proceedings.

ORAL PRESENTATION

While submitting the abstract the author/s may indicate in the registration form whether they would like to make an oral presentation. The organizing committee will select a limited number of abstracts for oral presentation. Each speaker will be allocated 10 minutes for presentation and 2 minutes for discussion.

POSTER SESSION

Poster must not be larger than 100cm x 100cm. Participants are requested to send the filled registration form to arunkalazans@gmail.com on or before 25th February 2017. If required, accommodation can be

HOW TO REACH IRINJALAKUDA

The major railway station near to Christ College is Thrissur (Trichur), which is about 20 km north of Irinjalakuda. Irinjalakuda railway station is only about 10 km from the College, but all trains (superfast and some long distance trains) may not stop at this station. Inform your arrival at the earliest and the necessary arrangements will be made at both stations to bring you to the college.

National Seminar on

EMERGING TRENDS IN CHEMICAL RESEARCH

28TH FEBRUARY & 1ST MARCH 2017

Dear Sir/Madam,

We have great pleasure to inform you that our Department is organizing a two day National Seminar on “**Emerging Trends in Chemical Research**” in connections with our 100th Jubilee year Celebrations, which is sponsored by the University Grants Commission.

We cordially invite the faculty members and PG Students of your institution to participate in this seminar.

Dr. T. M. Jose CMI
Principal

Dr. Mathew Paul Ukken
Head, Dept. of Chemistry
General Convener

Dr. V.T. Joy
Convener

Dr. Arun S
Coordinator

IRINJALAKUDA

Established in 1956, Christ College, Irinjalakuda is a premier educational institution in the state of Kerala, dedicated to the cause of higher education. The College is affiliated to University of Calicut and re-accredited by NAAC 'A' Grade.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry offers undergraduate and postgraduate programme, post graduate diploma (in Sustainable and Green Energy Technologies) and Ph.D programme. The Department is a recognized research centre of Calicut University and supported by DST-FIST programme.

The Department of Chemistry started functioning with the inception of the college and has produced many nationally and internationally reputed personalities. Our mission is to train the young ones to meet the challenges of a fast changing world and to play their role in creating a better world.

OBJECTIVES OF THE SEMINAR

The National Seminar intends to bring the members of the faculty and PG students from all the Universities and affiliated colleges of Kerala and its neighbouring states together and help them to update their knowledge in the

PROGRAMME SCHEDULE

28th February 2017

9.00 am to 10.00 am : Registration
Welcome Address : **Rev. Dr. T. M. Jose C.M.I**
(Principal)
Presidential Address : **Rev. Fr. John Thottappilly C.M.I**
(Manager)
Inaugural Address : **Dr. K.V. Radhakrishnan**
Principal Scientist, CSIR-NIIST,
Thiruvananthapuram
Vote of Thanks : **Dr. Mathew Paul Ukken**
(Head, Dept. of Chemistry)
10.45-11 am : Tea Break

11-12.30 am : TECHNICAL SESSION-I

Speaker:
Dr. K.V. Radhakrishnan
Principal Scientist, CSIR-NIIST,
Thiruvananthapuram
Title:
Tapping the potential of hottest
hotspot of the World biodiversity:
Phytochemical profiling of medicinal
Plants from SAHYADRI (Western Ghats)
12.30-1.30 pm : Lunch Break

1.30-2.30 pm : TECHNICAL SESSION-II

Speaker:
Dr. Kaustabh Kumar Maiti
Senior Scientist, Chemical Science
& Technology Division-CSIR-NIIST,
Thiruvananthapuram
Title:
New Insight of Nano-bio-Science:
An Approach Towards Diagnosis and Drug
Delivery for Cancer Treatment

2.30-3.30pm : TECHNICAL SESSION-III

Speaker:
Dr. Vinesh Vijayan
Assistant Professor, School of Chemistry,
Indian Institute of Science Education and

3.30-3.45pm : Tea Break
3.45-4.45pm : Paper presentation

1st March 2017

9.30 am to 10.45 am : TECHNICAL SESSION-IV

Speaker:
Prof. Dr. Sabu Thomas
Director, Centre for Nanoscience and
Nanotechnology, Professor of Polymer
Science & Engineering, School of
Chemical Sciences, MG University.
Title:
Engineering at the Nanoscale- A Strategy
for Developing High Performance
Functional Materials.
10.45-11 am : Tea Break

11-12.30 pm. : TECHNICAL SESSION-V

Speaker:
Dr. Manohar D. Mullaseery
Assistant Professor, Fatima Mata
National College (Autonomous), Kollam.
Title:
Computational Quantum theory-
Fundamentals and Applications.
12.30-1.30 pm : Lunch Break

1.30-2.30 pm : TECHNICAL SESSION-VI

Speaker:
Dr. Manohar D. Mullaseery
Assistant Professor, Fatima Mata
National College (Autonomous), Kollam.
Title:
Computational Quantum theory-
Fundamentals and Applications.
2.30-2.45 pm : Tea Break
2.45-3.45 pm : Paper presentation
3.45-4.30 pm : Evaluation and Valedictory
